

		ZEBRA S (Short)	ZEBRA L (Long)
<b>Dimensions (mm)</b>	Wheelbase (A)	2.250	2.600
	Vehicle length (B)	4.000	4.350
	Wheel gauge (L)	1.310 / 1.300	
	Max. cabin height (H)	2.280	
	Vehicle width (N)	1.630	
	Dimension (C)	1.030	
	Dimension (D)	560	
	Dimension (M)	1.515	
<b>Generally</b>	Maximum speed	80 km/h	
	Minimum speed	0,6 km/h with crawling mode	
	Speed ratio	from 0,6 till 80 km/h	
<b>Engine</b>	Make / Type	VM MOTORI / 05D/8 EURO V	
	Charakteristic	Liquid cooled, 4stroke, diesel, supercharged common rail	
	Cylinders No.	4 in-line	
	Stroke volume	2.970 cm <sup>3</sup>	
	Nominal power	72kW / 2.600 min <sup>-1</sup>	
	Max. torque	270 Nm / 1.400 min <sup>-1</sup>	
	<b>Transmission</b>	Make / Type	NZWL / 5 forward gears, 1 reverse, mechanical, with crawling mode reduction
<b>Weights (kg)</b>	Whole weight / technical	3.500 / 5.000	
	Weight composition during max. load 3,5 t	Front axle 1.250 kg Rear axle 2.250 kg	Front axle 1.250 kg Rear axle 2.250 kg
	Max. permissible axle load	Front axle 1.900 kg Rear axle 3.100 kg	Front axle 1.900 kg Rear axle 3.100 kg
<b>Axles</b>	Construction	Front axle rigid welded driven, rear axle rigid screwed driven 4x4, operated mechanically through teathed clutch	
<b>Brakes</b>		Disc brakes, front ones ventilated, with braking force limiter due to load, parking brake mechanical / electrical alternatively	
<b>Wheels</b>	Rims / Tyres	6Jx15H2 / 225R15C	
<b>Suspension</b>	Front / Rear	Both axle rigid on semielliptic leaf springs, telescopic shock absorbers	
<b>Steering</b>		Mechanical systém of servo-steering	
<b>Cabin</b>		Two doors, cantilevered, front foldable	
<b>Seats</b>	Driver / Co-driver	Cushioned seat / rigid seat + optionally 2 co-driver seats possible	
<b>Hydraulics</b>		Optionally up to three circuits / electrohydraulics / possible also with single hydraulic circuit to be delivered	

## Choice of possible extensions and type of use ZEBRA carrier

- **WINTER MAINTENANCE**

- Extension Grit Spreader Humidised Salt, Extension Grit Spreader Inert Materials
- Rear Spreader – Kombi, Plated, Cylindrical
- Brine Sprinkler, Side Plough, Arrow Plough
- Front Snow Remover, Snow Cutter

- **MAINTENANCE / SWEEPING**

- Front Dust Remover, Hoover Extension, Cleaner of Sewerage Inlets
- Extension for Faeces Operation, Combi Extension – Hoover, Pressure Cleaner
- Cleaner of Milestones, Berriers and Vertical Signing
- High Pressure Cleaner with Hot Water – Remover of Chewing Gums and Weed Three Sided Dumper
- Container Carrier – Double-Arming System, Container Carrier – Hooking System
- Municipal Waste Collector / Separated Waste with Rear / Side Loading

- **MAINTENANCE of GREENLAND and ROADS**

- Frontal Mower Rotational, Frontal Mower with availability of Grass Collecting
- Front Mulcher with Sideways Mowing Beam, Chipper
- Moisturing System – Front Moisturing Strip available
- Crane, Big Volume Extension for Municipal Waste (Cemetery Refuse), Road Repair Gravel Set
